

Accessibility Plan

Reigate Valley College

Date Approved	January 2026
Date of Next Review	January 2031

Introduction

The school recognises its duty under the Equality Act 2010 to:

- Not treat disabled people less favourably
- To take reasonable steps to avoid putting disabled people at a substantial disadvantage
- Not to discriminate against disabled students in their admissions and exclusions, and provision of education and associated services
- To publish an Accessibility Plan

The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities. Under the Special Educational Needs and Disability (SEND) Code of Practice, 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer. Schools are required to make 'reasonable adjustments' for students with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled student faces in comparison with non-disabled students.

Purpose of the Plan

Our key objective is to reduce and eliminate the barriers to access to the curriculum and to have full participation in the school community for students and prospective students, with a disability. This plan shows the accessibility of the school for disabled students, staff, parents/carers and visitors. The Accessibility Plan has been compiled by the Chief Financial Officer in close consultation with the CEO, SENCO and the Trust Board.. The plan is valid for five years and is reviewed annually.

Plan Availability

A copy of the plan is on the school's website. A paper copy of the plan is available from the school office.

Premises

Reigate Valley College is an Alternative Provision Academy for students aged 5 to 16. Our aim is to reduce the numbers of students who are Permanently Excluded from school by offering mainstream schools an alternative to exclusion. We offer a range of interventions so students can be supported, either within their mainstream school or at the college. We also offer places to students who have been permanently excluded. Quite simply we aim to provide pathways for all our students so that they can continue to access their education whether that is in mainstream schools, colleges or a work environment. Reigate Valley College has three campuses.

Monitoring and review

This policy is reviewed every 5 years unless there changes to the buildings or legislation

The Phoenix Campus

Based in Redhill which caters for students aged 5-11.

This campus comprises of one single storey building, which has good accessibility to and from the classrooms, to the outside and all communal areas. It has a disabled toilet and priority disabled parking in the car park.

Allingham Road Campus

Based in Reigate which caters for students aged 11-14.

This campus comprises of one single storey building and a separate common room housed within a temporary structure. Both have good accessibility to and from the classrooms, to the outside and all communal areas. It has a disabled toilet. Parking is available on-street

Sidlow Campus

Based in Reigate which caters for students aged 14-16.

This campus comprises of 3 single storey buildings, all have ramps access. It has a disabled toilet and priority disabled parking in the car park.
