Examination Results 2021-22

**October 2022**

**Awarding process**

This is the first year since the 2019 exam season that the pupils have actually sat examinations so for the purpose of comparative data we will compare to 2019 and earlier.

It should be noted that the year group sitting these examinations will have been affected by the pandemic and will not have had the opportunity that previous years will have had when they have studied at RVC and WVC. Specifically the fact that at both schools we offer a range of qualifications in Year 10 that pupils then sit examinations for at the end of Year 10. This cohort of pupils did not get to sit any examination at the end of their Year 10 as they were not in school and could not be included in Teacher Assessment Grades (TAGs)

Throughout the pupils time at RVC and WVC we usually enter them multiply times on the Functional Skills examinations in English and Maths and opportunities for entries was restricted this year and hence a reduced pass rate in these topics
