It is important that your grant is used effectively and based on school need. The Education Inspection Framework makes clear there will be a focus on **'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'**.

Under the Quality of Education Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Pleasevisitgov.ukfortherevisedDfEguidanceincludingthe5keyindicatorsacrosswhichschoolsshoulddemonstrate animprovement.Thisdocumentwillhelpyoutoreviewyourprovisionandtoreportyourspend.DfEencouragesschools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click HERE

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. **Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study**	This is not applicable to our setting.
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? **N.B.** Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021. Please see note above	N/A
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	N/A
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	N/A

Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?	N/A

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2023/24	**Total fund allocated: £8000**		**Date Updated: 17th November 2023**	
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 100%
Intent	**Implementation**		**Impact**	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
For students to have an array of activities available to them during their social times. This is to help develop and improve social skills, teamwork, communication and competitiveness within a structured, facilitated environment.	A range of playground equipment to be available for pupils each break time, lunch time and golden time. Adults to supervise.	£1500	Pupils have developed a love for social times. They have taken on playing games without adult supervision, running games by themselves. They have developed favourite activities. It has encouraged KS1 children particularly to socialise with other peers and learn to work with others rather than against.	For pupils to start taking ownership of equipment, become playground leaders and monitors, making sure equipment is being used correctly, encouraging pupils to take part in different activities and encouraging a love for physical activity. For pupils to return to their home schools upon completion of interventions and reintegrate successfully during social times.
Pupils take part in a range of fitness activities and motor skill activities throughout the school day, through a timetabled sensory circuit program.	A wider range of sensory circuit activities can be on offer for children to take part in. This is to help improve and broaden their experiences of fitness and skill based activities and to keep the daily circuits fresh and relevant.		Pupils participating in Sensory circuits for longer. Pupils starting to set themselves targets to achieve. Sense of achievement when beating a self-set goal and target. Over time, pupils have shown improvement in fine motor skills and gross motor skills. This has led to some pupils joining in with other sports in PE on a regular basis as they feel they can now compete and join in successfully due to improvement in their skill development.	To create a range of weekly circuit programs for pupils to complete. Each weekly circuit will have a different focus - physical or skill based activities. This will allow children to work on their weaknesses whilst still completing a sensory activity alongside.
